

NATURE WALKS, IMMERSIVE WALKS IN THE MARGARET RIVER REGION

Experience the magic of the Cape to Cape Track and
surrounding walking trails
with our Nature Walks Program (Ages 4-11)

At **Cape to Cape Education** we are proud to service our local schools and facilitate **Nature/Bush walks** to engage, inspire and promote a love for all things Nature.

We can offer tailored walking programs for **K6-Class 6 students** that allow students to explore their local area and develop a love of nature and an understanding of the fragile beauty of this beautiful coastline

We aim to **inspire** young people to develop a passion for **protecting nature**. As an environmentally conscious company we help to promote the need for **conservation** and protection and we fully support the **leave no trace principals on track**

We believe that the next generation are the key to protecting, managing, conserving and promoting the beauty of this region for long term sustainable use.

Our aim to engage young minds in the **principals of conservation** and encourage them to see the role they can play in **protecting our environment for future generations**.

The Cape to Cape Track:

The iconic Cape to Cape Track in the South-West of Western Australia is a 132km coastal hiking trail that holds many stories and opportunities to connect with nature.

Our **Bushwalking/Nature walks** Program provides you and your group with rich opportunities to explore the natural wonders of the track, share memorable moments and foster meaningful connections.

Our programs are designed with a focus on: **learning and self-development, immersive nature experiences, nature play**, allowing young people to experience the local environments and culture; with a focus on **environmental awareness** and **sustainability**.

OPPORTUNITIES FOR LOCAL SCHOOLS:

The Margaret river region offers excellent opportunities to explore and connect students with Nature.

With a wealth of walking trails and track to explore we can offer short walks from 2km for the younger students or longer upto 12km walks for the older classes.

We can provide all tour transport and safety needs with a team of dedicated staff with all the relevant WWCC and First Aid Quals

Contact us to make an enquiry

- At Cape to Cape Education we are passionate about the environment and conserving the natural world for future generations.
- We believe in fostering a love of place and nature, a sense of belonging and ecological responsibility that students take away with them to their own communities.
- We aspire to engage, educate and empower young people to become advocates for the environment and encourage them to participate in conservation practices to protect the fragile natural world.
- All of our Margaret River Adventure camps and Educational packages will involve an element of 'Giving back' working alongside local volunteer organisations to help protect this fragile environment.
- We are committed to the protection of Boodja and share the responsibility of this protection
